

ACCESS PROGRAMME APPLICATION FORM 2019

We believe that all applicants should have access to the knowledge and experiences that will strengthen their Oxbridge Application, so every year we run an extensive programme working with bright students to make the most of their applications. Our programme helps with every stage of the process and gives you direct contact with Oxbridge graduates in situations that mimic the tests and interview process. There are 50 places available on the Access Programme.

Please note: if you are accepted onto either programme, it is your responsibility to keep Oxbridge Applications updated throughout your application, and to let Oxbridge Applications know that you wish to continue with the programme in August, after AS level results. By completing submitting this form, you are consenting for Oxbridge Applications to register you on their system and retain your data for as long as necessary for the purposes for which it is being processed.

To apply, please:

- Complete the following application form, including personal and academic information
- A signed reference from a teacher, confirming your grades and eligibility for the programme

Please send all of the above to access@oxbridgeapplications.com, or post to:
